

C^3 (Crossword x Caption x Calculus)

Event Description:

Solving a crossword. Using the name of Instagram account. Corresponding Captions will be provided and clues in form of Calculus equations.

CROSSWORD: Initially on home screen, an empty crossword pattern will be displayed.

CAPTION: As soon as the event starts, a statement will be available on screen. This statement is nothing but a CAPTION of some of the famous instagram Account holder's post. Participants need to fill the account name in the corresponding crossword line. The line must be filled with Instagram user name of that account (may be numbers may be alphabets or both). After every interval of 10min, one more statement will be available. Accordingly, 10 statement will be available, the time duration will be 1hr 40min for the whole event.

CALCULUS: For each Answer we'll be providing two clues for any two blanks of the answer's spelling which will be in for of CALCULUS equation. The answer of equation gives you a number between 1 to 26 which replaces its alphabetical equivalent or may be its numerical equivalent. Example, answer= 3 Equivalent alphabet=C. Numerical equivalent=3 This gives you two blanks of each crossword line.

BASIC INFORMATION:

- The crossword will be consisting of 5(row) ×5(column)
- The clues and hints for each row/column will be uploaded in the interval of 10mins.
- New caption will be available after 10min interval whereas, previous ones won't vanish.
- Total time duration will be 1hour 40min.
- Read all the instructions carefully.

RULES:

- Participate should be online on time before the event begins.
- The answer of the crossword is not the name of the account holder it must be the user name of that profile.
- Each crossword line has 2 clues (calculus equation).
- Clues can be given for any alphabet or number of the answer.
- The answer of the given calculus equation can be the alphabetical equivalent or numerical equivalent of the obtained answer. Example; ANS=3; alphabetical equivalent=C; Numerical equivalent=3.
- If more no. Of teams/participants doesn't turn up, the prize money would be waived by 50%.
- Any final decision will be taken by organizing committee.
